

Mitchell's Poinsettia Fundraiser

September: contact Judy to let her know you are going to participate in the fundraiser program. Set up a place and date for delivery. Remember that this needs to be one indoors location.

September through October: Sell Mitchell Grown Poinsettias! Use our flyer or make your own to help people select the color poinsettias they want. (Our flyer is available on our website)

October 31st: turn in your sales totals to Judy

November 25th – December 23rd: Your order will be delivered on the date and location that was set up in September.

Delivery Policy: Mitchell's staff will triple count your order. When your poinsettias are delivered, you will confirm your total while our driver waits. A signature will be required to confirm that your order is correct.

Suggestions for success:

- Keep your choices simple. 1 or 2 colors.
- Sell your poinsettias at a good profit.
- Make sure your final sales counts are accurate before you place the order on Oct.31st.
- When poinsettias are delivered:
 - Poinsettias need to be inside.
 - Put your order in groups of 10 according to color
 - Completely unload the order, THEN count
 - Only 2 people should count.
 - Count twice
